REFERENCE: APRIL QUARTERLY REPORT (01/01/2012 - 03/31/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A of your report discloses contributions designated for the 2008 General Election which appear to be intended for the 2008 Primary Election. Please be advised that incorrect election designations may result in an excessive contribution since the candidate did not participate in the 2008 General Election. If the contributor designated the contribution to the 2008 General Election in error, it may be necessary to request a redesignation from the contributor. This redesignation must be done within 60 days of the contribution being received by the Committee. (11 CFR § 110.1(b)(3)(i)) If no election was designated by the contributor, the contribution must be applied to the next election for the federal office the candidate is seeking after the contribution date (i.e. the 2012 Primary). Please amend your report if any of the election designations were incorrectly reported. (11 CFR §§ 110.1(b)(2) and 110.2(b)(2))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
